Commission for His will  
A deal signed and sealed  
The content that's inside  
Ain't nothing to hide

His love paid the bill  
So that you could live  
Transform a person's life  
To form the church His wife

Of many form a whole  
A body made of love  
The power dynamos  
Delivered straight to us  
Just reach out your hand  
Believe the Son of Man

The Holy Spirit will reveal  
that God is real

(Verse 1)

He wrote His Word as a love letter  
for you and me our destiny  
Like a dove with the Father's love  
a message that came from above.

Peace is what He's offering  
Rest in God for eternity  
Give it time and you'll find  
the heart of God in your mind.

(Verse 2)

Made in His image and His design  
He pursues us all the time  
Holy Spirit leads the way  
Break the chains of the devil's sway

Lift your souls to a higher place  
His love goes out to the human race  
Build a home with us in mind  
Seek the kingdom and you'll find.
